TOTAL All Four CHISJH Hospitals	\$56,876,706	\$20,190,325	\$3,032,206	\$1,081,215	\$32,572,960

Resource Coordination

The Health Resource Center in Bryan is designed to assess an individual's needs and connect them to various agencies throughout our community that provide services ranging from basic food and shelter to behavioral health counseling. CHI St. Joseph Health also supports the Burleson, Grimes, and Madison Health Resource Center's by providing utility assistance, office space, and other means of support.

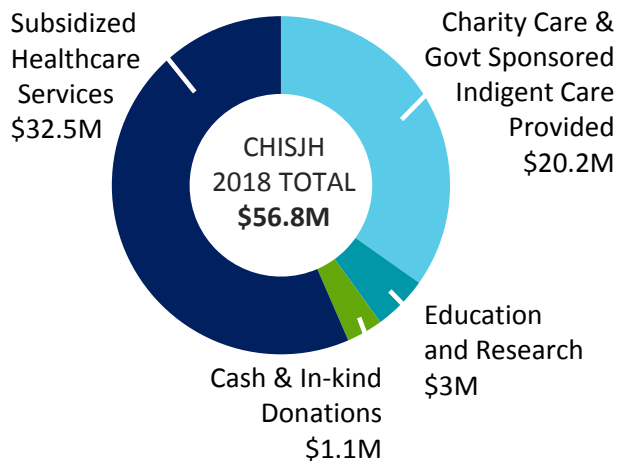

Injury Prevention

CHI St. Joseph Health seeks to increase injury prevention education, awareness and collaboration with other agencies to expand programs/outreach in the CHI St. Joseph Health service area. Local partners include Texas A&M AgriLife Extension, the Brazos Valley Injury Prevention Coalition, local healthcare providers, Texas A&M University Police Department and the Texas Alive Team.

Diabetes Education

CHI St. Joseph Health Diabetes Program focuses on Type 2 Diabetes and prediabetes. Proper nutrition using carbohydrate counting, exercise, blood glucose monitoring, foot care and other topics are covered within the program; grocery store tours and seminars are also offered. Seminars cover Healthy Holiday Eating, Stress Management and Depression, Strength Training and Diabetes, Dining Out and Alcohol Use.
